

Permex Petroleum Announces Application for Partial Revocation Order and Second Tranche of Private Placement

Vancouver, British Columbia, May 29th, 2024 – Permex Petroleum Corporation (CSE: OIL) (OTCQB: OILCF) (FSE: 75P) ("**Permex**" or the "**Company**") announces that it has applied to the British Columbia Securities Commission (the "**BCSC**") for a partial revocation of the failure-to-file cease trade order that was issued by the BCSC against the Company on April 16, 2024 (the "**FFCTO**") for failing to file certain outstanding continuous disclosure documents in a timely manner (the "**Partial Revocation Order**").

If the Partial Revocation Order is granted, the Company intends to complete a second tranche (the "**Second Tranche**") of its previously announced non-brokered private placement (the "**Offering**") of convertible debenture units of the Company (the "**Units**"), as announced by the Company on February 28, 2024 and April 16, 2024 (the "**News Releases**"). Under the Second Tranche, the Company intends to issue up to an aggregate of US\$865,000 of Units. Each Unit will consist of one convertible debenture (a "**Debenture**") in the principal amount of US\$1,000 and 294 common share purchase warrants (each a "**Warrant**"). Each Warrant will be exercisable for a period of five years from the date of issuance for one common share of the Company (a "**Share**") at an exercise price of US\$4.08.

The Debentures will mature (the "**Maturity Date**") on the earlier of: (i) one-year from the date of issuance or (ii) three-months from the date of issuance if the Company does not enter into a securities exchange, unit purchase or merger agreement with a third party to the reasonable satisfaction of a majority of the holders of Debentures. The Debentures will bear simple interest at a rate of 10%, payable on the Maturity Date or the date on which all or any portion of the Debenture is repaid. Interest will be paid in cash or Shares based on a conversion price of US\$3.40 (the "**Conversion Price**"), subject to the approval of the Canadian Securities Exchange (the "**Exchange**"). At any time prior to the Maturity Date, a holder of Debentures may elect to convert the outstanding principal and any accrued and unpaid interest thereon into Shares at the Conversion Price. The Debentures will automatically convert into Shares at the Conversion Price in the event the Company completes a financing of Shares for aggregate gross proceeds of at least US\$7,500,000.

The Company intends to use the proceeds of the Second Tranche to prepare and file all outstanding financial statements and continuous disclosure records, pay all outstanding related fees and penalties, pay outstanding amounts owing pursuant to summary judgments and to continue operations until it can apply for and receive a full revocation of the FFCTO. If and when the Second Tranche is completed and the Company has filed all such outstanding financial statements and continuous disclosure records, the Company intends to apply for a full revocation of the FFCTO and ask that trading of its Shares on the Exchange be reinstated.

If the Partial Revocation Order is granted, the Company will also issue an amended warrant certificate to correct the number of warrants issued to the sole subscriber in the initial tranche of the Offering which was announced on April 16, 2024 (the "**Warrant Amendment**"). Pursuant to the Warrant Amendment, the Issuer will issue an amended warrant certificate for 147,000 Warrants having the same expiry date as the original warrant certificate.

All of the Company's securities, including the securities issued in connection with the Second Tranche, will remain subject to the FFCTO until such order is fully revoked. The granting of the Partial Revocation Order by the BCSC does not guarantee the issuance of a full revocation order in the future.

None of the securities issued in connection with the Offering will be registered under the United States Securities Act of 1933, as amended (the "1933 Act"), and none of them may be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the 1933 Act. This press release shall not constitute an offer to sell or a solicitation of an offer to buy nor shall there be any sale of the securities in any state where such offer, solicitation, or sale would be unlawful.

The Company is also issuing this news release to clarify certain statements regarding the Offering in the News Releases. In the News Releases, the Company announced that each Unit would be comprised of one Debenture in the principal amount of US\$1,000 and one Warrant. The Company now clarifies that each Unit will be comprised of one Debenture in the principal amount of US\$1,000 and 294 Warrants.
